Greetings ADDC Members!

Oh my! This is really real, isn't it? 2010 is going to be an amazing year - for all of us. Your 2010 Board is busily planning for the annual Budget and Planning Meeting to be held in Tulsa, January 15 and 16, 2010. Plans are being made, committee positions are being filled, budgets are being planned, convention preparations in Houston are well under way and the New Year hasn't even begun. If you have any ideas, suggestions, comments or concerns that you would like to see addressed, make sure that you contact your Regional Director so they can pass them along to the Board.

The 2010 Board is looking forward to working with all the members of the Association to pull together (**CONNECT**), share ideas and opportunities (**COMMUNICATE**) and work towards the goal of increasing membership and educating friends, members, co-workers, schools and communities (**COLLABORATE**). Let's all plan to commit to making 2010 a year of growth and achievement – for ourselves and for the Association. Our organization is strong because of the dedication of our members, and as we pull together in 2010 and work to achieve our plans and goals, we will see our Association thrive and flourish.

Regional Meetings are also already in the planning stages. I hope many of you have the opportunity to attend and be a part of the educational programs and field trips. Mark the following dates on your calendar and be sure to watch for more information.

ASSOCIATION OF  
DESK AND DERRICK  
CLUBS

I would like all of you to think about something. You don't have to be a chairman of a committee or an officer to make a difference. If you share your knowledge of our industry with just one person, you will be promoting our growth and strengthening our future. We can do it! Let's build 2010 into a fantastic year!

**Here's to an exciting, educational and Happy New Year!**

**Club Presidents – Please share this information with your club members!**

Dear Fellow D&D Members:

It is my honor to serve as the 2010 Leadership Resource Committee Chair. As many of you know, leadership and communications are two of my passions.

One purpose of the Leadership Resource Committee is to encourage and train members of Desk and Derrick Clubs to properly speak to civic and other groups on pertinent urgent issues affecting the energy industry. In presenting these issues, a member must avoid addressing a particular political view; it is not our place to advocate a specific issue or indicate how a group should vote on any issue. However, we can present factual material and let the audience make their own decisions.

Another purpose of this committee is to prepare members for assuming leadership roles. Teaching correct speaking techniques, proper grammar and sharing tips for keeping the audience's interest are all important tools for a good leader.

Enhancing personal growth and development of individual members is the third purpose of this committee. By presenting educational programs and/or seminars in writing, speaking and listening are great methods to increase members' skills and knowledge.

During 2010, our committee hopes to share some tips, ideas and methods to increase each member's leadership skills in order to represent our energy industry and our Association with a professional demeanor and knowledgeable information.

Till next time ..... Remember

***Listen intently to whoever is leading - they are your teachers.***

**January 2010**

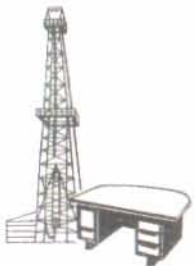

To: All Region III Members

**Happy New Year** to each and every one of my Region III family!

*I am so excited and ready to begin our 2010 Desk and Derrick year. I actually got started with my duties as Region III Director-Elect by attending the Pre- and Post-Convention Board Meetings at the 2009 ADDC Convention in Calgary, Alberta, Canada, in September. As a long time board member of the El Dorado Club, I have attended MANY board meetings. However, until I attended an Association board meeting, I did not realize the broad spectrum of issues that are handled by the board at that level. It was an uplifting and motivational experience to be a part of our organization at the top rungs of the ladder. As most of you know, I love to talk and share my opinions and feelings regarding our organization. For that reason, attending the Pre-Convention Board Meeting as a spectator only, without voice, was a difficult task! However, I sat and took it all in, remaining mostly silent, learning what the duties of the Association Board entail. That experience got me very excited about what our Region and the Association of Desk and Derrick Clubs can potentially accomplish in 2010.*

*At the Post-Convention Board Meeting, I was able to participate as an official member! In that meeting, Sheryl Minear was approved as 2010 Parliamentarian and Brenda Snow as 2010 Executive Assistant. The Board approved Chairs for the 2010 ADDC Standing Committees. President-Elect Donna Siburt reported on plans for the 2010 Budget and Planning Meeting scheduled in January, and on the approval of several funding requests made to the ADDC Foundation for 2010 activities such as NAPE, Convention Symposium and Certification Seminar, Region Meeting funding opportunities, and a possible Leadership Resource Committee seminar to be held at the 2010 convention. Several items of business referred to the 2010 Board were discussed and handled as well.*

*My theme for Region III in 2010 is "Broadening Our Horizons Through Networking and Education." Networking, through meetings of our organization and in our industries and communities, is our Association's best mode of securing quality industry programs, gaining educational and financial support, retaining membership, and recruiting new members. It is through our programs and industry contacts that we educate ourselves, giving us the tools we each need to fulfill our organization's motto and mission statement.*

ASSOCIATION OF  
DESK AND DERRICK  
CLUBS

*Patricia DeFee of the El Dorado Club is serving as my Director's Assistant. She is working to keep me on schedule and in line, so please offer her any assistance you can in helping with that chore! Since she isn't able to make each trip with me, we would appreciate if you would send her any pictures and anything else that might be beneficial to the Scrapbook Committee, from your Club's functions that I am able to attend.*

*Liz Pav, the Association and our Region's revered parliamentary expert has honored us by agreeing to continue as my Parliamentarian for 2010. I will announce the name of our 2010 Region III Fund Treasurer at a later date. Angie Duplessis will serve as Region III Nominating Committee Chair and will soon be sending nomination forms for 2011 Region Director to the club presidents. Please consider stepping up to the plate and serving the Region and Association at a higher level. The rewards can be life-changing!*

*On November 11<sup>th</sup>, I traveled to Laurel, MS to install the 2010 officers of the Laurel Club. Then, in December, I spent the week of the 7<sup>th</sup> through 11<sup>th</sup> installing Red River, Westbank, New Orleans, and Baton Rouge, followed by a trip on the 16<sup>th</sup> and 17<sup>th</sup> to install Houma and Morgan City. On my way from New Orleans to Baton Rouge, I stopped by the Grapevine Café in Donaldsonville to make sure they still had the AMAZING White Chocolate Bread Pudding we were served on the field trip at last year's Region III Meeting in New Orleans. I am happy to report that they do still have it, and it is still just as rich!*

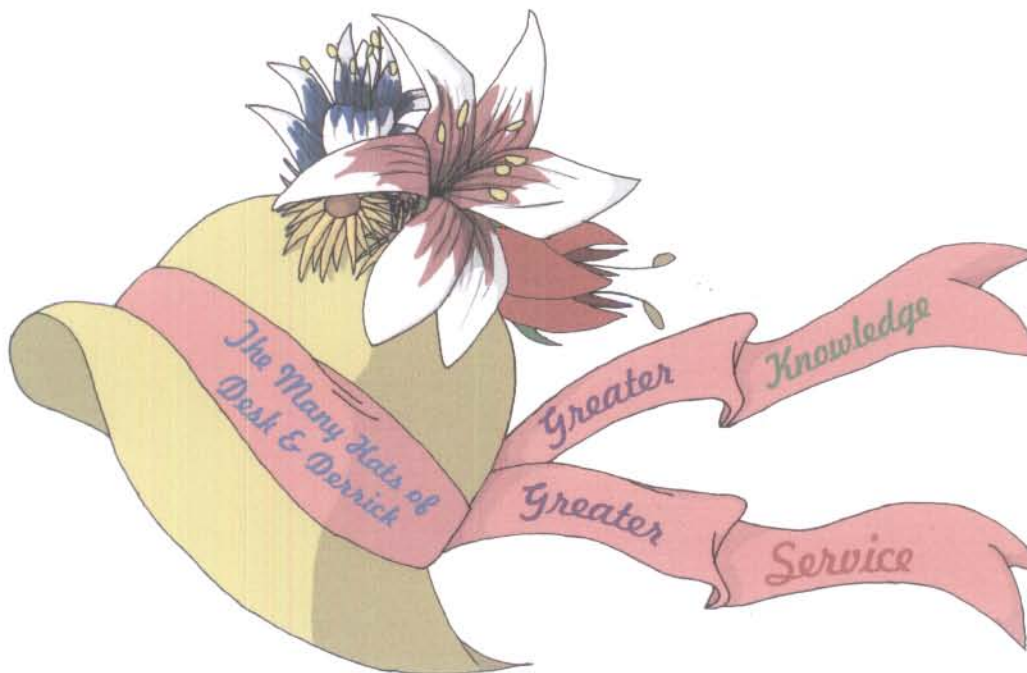

*As your 2010 Region III Director, I am your connection to the ADDC Board and to the other regions. If you or your Club have ideas, concerns, or questions that I can assist with or present to the Board, please feel free to contact me via email or by phone. The ADDC Rules Committee has set a February 12, 2010 deadline for proposed amendments to be considered at the 2010 Convention in Houston. So, if you or your Club has any amendments you would like to submit for consideration, make sure you get them properly approved by your Club and submitted to the Rules Committee by the deadline.*

*The Houma Club will be hosting the 2010 Region III Meeting, April 21-25, 2010 at the Houma Ramada Inn. Our Region Meeting room rates are \$81.00 plus 12.5% tax for singles and doubles. The Houma Club is planning a fantastic regional, so please put these dates on your calendar and make plans to join us in Houma in April for an educational and interpersonal opportunity to grow in our organization.*

*Let's keep our eyes on the horizon!*

*Keith*

# Westbank Club Information 2010

*"January 2010 President's Letter"*

*Dear Members,*

*What an awesome way to start the 2010 New Year! As President of our Westbank Club!*

*I want to again say, "Thank You" for your vote of confidence at our 2009 October General Membership Meeting when you elected me as "President!"*

*I am looking forward with great expectations as I begin my term as President of our club. I feel very privileged to be representing you throughout the year at Regional in Houma, Convention in Houston, IAN's in our Region and all the other educational endeavors, meetings, programs and projects.*

*I "Congratulate" and "Thank" the other ladies that choose to run and you elected to represent our club in 2010. They and you, the general membership, personify what we stand for and work to achieve. You represent all aspects of our community, wearing "the many hats" required to do your jobs for our industry, our club and our community. Thus, my theme, "The Many Hats of Desk and Derrick." Each hat represents what you are. A Mortar Board - knowledgeable, A Crown - outstanding in your field of employment, A Hard Hat - coconscious worker, A Golf Cap - great sport helping with our fund raising tournament, A Chef's Toque - providing nourishment for the Food Bank, A Nurse Cap - donating comfort supplies for our soldiers, An Elf's Hat - gathering toys for Toys For Tots and A Santa Hat - adopting a family at Christmas, just to mention a few. This year we have one wearing A Baby Bonnet, Pam Lauuckner, this is her first time on our Board, although she has done a committee job in the past.*

*We are now in our thirty-fourth year. Just like hats, we have stood the test of time. We are fashionable, we are sophisticated, we are pretty, we are a necessity, we are "WESTBANK,"*

*Although we are small in quantity we are "HUGH" in quality. It is this quality that has made this club what it is today and will insure its success in the future.*

*Sincerely,*

*Bonnie R. Wall  
2010 President Westbank D & D*
