March 2010

Greetings ADDC Members!

As you know, March is Desk and Derrick Month throughout our Association. This is the time, more than any, to make an effort to **Connect, Communicate and Collaborate**. We need to stand up and be our own PR Committee. We all need to share our excitement and enthusiasm about Desk and Derrick. Let's all make a commitment to bring one person to a D&D function. What did it take to get you hooked? For most of us, it was attending a meeting and getting involved with friends and co-workers at a different level.

Budget and Planning meeting for 2010 is now history. The weather is always a concern in January but luck was with us, as that weekend was the only weekend in January that it did not snow. The highlights have been posted to the ADDC website, but here are a few of them.

- 1) Approved changes to the General Information and Club General Information Sections including the addition of guidelines for donations to charitable organizations.
- 2) Approved the development of a Pioneer Award to honor members who have demonstrated outstanding service to their club, region and Association. Guidelines will be submitted to Club Presidents at a later date.
- 3) Approved the printing of three issues of The Desk and Derrick Journal in 2010.
- 4) Approval starting the procedures to copyright the Energy Activity book in the U.S. and Canada as well as obtaining trademarks for the EAB, Teaching Guide and characters PetroMolly and PetroMack.
- 5) Approved additional printing of the EAB and Teaching Guide with one free copy of the Teaching Guide to be included with the purchase of each 25 copies of the EAB.
- 6) Approved the 2010 Budget for the Association.

ASSOCIATION OF
DESK AND DERRICK
CLUBS

Have you received your Region Meeting information packet? The Regional Meeting plans are being finalized and registration packets are starting to be sent out. The regions have planned some great field trips and seminars so be sure to submit your registration form and be a part of making your region meeting a success. After that decision, you can then look at the 2010 convention registration packet that has now been posted to the ADDC website. It's going to be hard to decide what field trips and seminars to attend. The 2010 convention committee has done a fantastic job of lining up field trips and seminars that should interest everyone. If you haven't done so already, be sure to make your

hotel reservation for convention to be sure you have a room. It is really easy to use the link on the ADDC website or you can call the hotel directly.

One last item for this month. The electronic age is a great thing and so much can be accomplished in a short time and questions can be answered very quickly, but there are procedures that need to be followed. We need to be sure requests are sent through the appropriate channels so I have asked the Region Directors to have their members direct their emails through them and Association Committee Chairmen are to direct their questions through their Board Contact. The Board Contacts and Region Directors are your voice at the Association board meetings so they need to know what your questions and concerns are to be able to support you.

Until next month....

Donna

Est. 1987

Welcome to the Foundation!

This is a first in a series of newsletters that the Trustees will put together to inform you about we do, our purpose and how we can serve you.

WHAT IS IT?

The ADDC Foundation is an educational tax-exempt 501 (c) (3) corporation set up as a public service foundation. The Foundation assists the Association, its members, and others in the petroleum, energy, and allied industries in developing educational projects and programs related to those industries. Contributions are considered by the IRS to be tax deductible.

WHAT DOES IT DO?

The ADDC Foundation supports several worthwhile areas of service to Desk and Derrick members and to others in the petroleum and allied industries. These include:

- * Workshops, Symposia, Seminars
- * Educational Publications and Media
- * Research
- * Certification Programs
- * Educational Outreach projects

WHY DO WE NEED IT?

The only thing about which the futurists agree is that there will be change in every phase of our lives in the years to come. Increased education is the way to manage change. The ADDC Foundation can support the needs of the petroleum, energy and allied employees in the future, have textbooks and videos published and then sponsor study courses in these new technologies.

HISTORY

Idea for ADDC Foundation approved by Delegates at 1986 ADDC Convention. Initial Board of Trustees approved by ADDC Board in February of 1987. State of Oklahoma Certificate of Incorporation approved July 8, 1987. IRS Letter of Recognition and Exemption received October 8, 1987 (A publicly supported organization described in Section 509 (a) (2), exempt under Section 501 (c) (3) of the Internal Revenue Code).

SUPPORTS

- * ADDC Certification Programs
- * Energy Education Kits for Schools/Museums
- * California: Energy Trendsetter Panel
- * International Energy Symposium
- * OSHA Safety Certification Training
- * COPAS Certification Seminars & Testing
- * Oil and Gas: The Molecular Story
- * Project E³
- * Work related to PetroMolly™

Re: Nominations for 2011 ADDC Officers

2011 Officers of the Association of Desk and Derrick Clubs will be elected at the 2010 ADDC Convention in Houston, Texas. The ADDC Nominating Committee is currently accepting nominations for the following 2011 ADDC Officers:

President-Elect
Vice President
Secretary
Treasurer

Requirements and procedures for submitting nominations and the duties of the Officers are described in the Association Bylaws and can be found on the ADDC Web site in the Manuals section. A candidate for nomination to one of the above offices shall:

1. Have served or be serving as Regional Director
2. Be employed in the petroleum, energy or allied industries
3. Be bondable

A candidate for the office of President-Elect must possess all of the above qualifications and shall have served, or be serving, as an officer on the ADDC Board.

A candidate for the office of Secretary shall possess the skills to accurately record and prepare the minutes of the board meetings and convention business sessions within the deadlines for reporting to the membership.

A candidate for the office of Treasurer shall have an accounting background and computer experience.

The ADDC Officer Nomination Form (NOMN 1) and Candidate's Qualifications Form (NOMN 2) are available in the Forms Section on the ADDC Web site.

To submit nomination(s), please send THREE sets of the forms listed below by Certified Mail-Return Receipt Requested **OR** by overnight service (UPS, FedEx, etc.) **OR** e-mail one complete set including photo. If you file by e-mail, be sure to verify your e-mail and attachments were received by the Chairperson (everyone experiences e-mail problems from time to time, and we do not want to miss any nominations due to a downed transmission line.) In compliance with the Association Bylaws and as approved by the 2010 ADDC Board, **all nominations must be received no later than Friday, May 28, 2010.**

Nominations **RECEIVED** after the deadline **WILL NOT** be considered!

SEND NOMINATIONS TO:

Bonnie Fish
ADDC Nominating Chairman
c/o MacFarlane Company – USA, L.L.C.
El Dorado, AR 71730
e-mail: bfishcpa@suddenlink.net

The **THREE** sets of nomination papers must include:

1. NOMN 1 – ADDC Officer Nomination Form
2. NOMN 2 – Candidate's Qualification Form
3. Candidate's Goals (100 Words or Less)
4. One Photograph (color preferred)

The photograph of the nominee should be suitable for publication in *The Desk and Derrick Journal* and may not contain any restrictions as to authority to copy or publish.

When submitting nomination(s), be absolutely clear as to the office for which each candidate is being nominated. Each candidate may be nominated for only ONE office.

The Association Standing Rules state that the names of candidates for the ADDC Board are not to be published by any Club prior to the release of the official announcement by the Association. Please do not publish the name of any candidate in your Club's newsletter prior to the official announcement by the Association.

Our Association has many qualified members with leadership abilities. Our continued success depends on these members stepping forward to accept the opportunities and responsibilities associated with leading the ADDC in 2011 and beyond. Please share this request for nominations with your Club, and forward your Club's nomination(s) by May 28, 2011.

If you have any questions or need additional information, please do not hesitate to phone or e-mail me.

Sincerely,

Bonnie Fish

PROPOSED AMENDMENTS TO
ADDC BYLAWS

Received From Regional Director Keith Atkins
Tuesday, March 9, 2010

Amendment #1

Article VII

Dues and Fees, Section 1

And

Amendment #2

Standing Rule 8 To Two Sections:

A. Fund Raising

And

B. Promotional/Gift Items

The above two proposed amendments will be part of the business at the 2010 ADDC Convention in Houston in September. They will be discussed at the Open Forum during the Region III Meeting in Houma April 2010.

Proposed Amendment Number 1

Amend Article VII – Dues and Fees, Section 1. (a) by striking the words “Thirty-Five Dollars (\$35.00)” between the words “be” and “in” and inserting the words “Forty-Five Dollars (\$45.00)”.

Now Reads:

Annual dues payable to the Association by each club shall be Thirty-Five Dollars (\$35.00) in U.S. funds for each member of such club.

Amend to Read:

Annual dues payable to the Association by each club shall be Forty-Five Dollars (\$45.00) in U.S. funds for each member of such club.

Rationale:

The current dues do not cover the Association’s annual operating expenses. The 2010 board had to approve an “unbalanced” budget (expenses exceeded revenue). The 2009 board had the same issue. Both boards diligently tried to cut expenses without reducing membership benefits. Over the past several years, we have become very dependent upon the sale of the Energy Activity Books and will continue to consider these sales as part of our revenue but these sales will only cover so much of the expenses. The 2010 board also took into consideration that there has not been a dues increase since 2005 (approved in 2004). As we all are aware expenses such as travel have increased since 2005.

Proposed by: ADDC Board of Directors

ADDC Board of Directors	12 For	0 Against	1 Abstain
Rules Committee	6 For	2 Against	0 Abstain

Comments For:

The Association budget is really lean and there are only so many places that can be trimmed back and still be able to operate efficiently.

The cost of running the Association has gone up just like everyone else’s costs. This is a small increase, less that \$1.00 a month, and still the Association dues would be less than \$50 a year. Compared to dues for other organizations this is a bargain.

We understand that our members and, in most cases, their employers as financial sponsors, have been hit by the current economic shifts. Our members should be equally aware that those same economic shifts which we’ve all faced in our personal and business lives have also affected ADDC. If you compare the rate at which our dues have risen

over the years in relation to the rate the cost of living has increased, you will recognize the hard work your Boards have done throughout the years to deliver quality services for minimum expenses.

The Association needs the increase in dues to continue providing the level of service and commitment to our educational purpose that we do now. At \$45 our dues will still be below other industry organizations.

I think it's time to raise the dues. We are one of the cheapest organizations that I know. In order to provide all that we do, the increase in dues is needed.

Expenses for everyone have increased over the past five years. It makes good fiscal sense to increase our annual dues.

I agree, but am concerned over whether or not some of the smaller clubs will be able to handle the increase.

Expenses have increased over the past five years – makes sense to increase annual dues payable to the Association for each club.

Our club charges \$40 for membership. We give \$35 to the Association, we send \$2 to our region fund and keep \$3 for our local club. We see no problem with the increase. Ten dollars is not that much money. A person could save \$1 a month to pay for this.

Comments Against:

With company support less common, I believe the \$10 increase is too much. I would be more comfortable with a \$5 increase. I am concerned about losing the smaller clubs with the increase.

I believe that a \$10.00 increase is not justified at this time. Many of our club members also are having to chinch their belts in this down economy and would have a difficult time with the increase that large. But I would favor an increase of \$5 at this time.

Proposed Amendment Number 2

Amend Standing Rule 8 to two sections: A. Fund Raising and B. Promotional/Gift Items.

Now Reads:

Fund raising is permissible where necessary to further the educational purposes of our organization. Proper records and reporting must be maintained and filed in accordance with the tax-exempt status of the Association and clubs. The Association guidelines must be followed for fund-raising projects. Specific, but not all-inclusive, requirements include:

- a. Any club contemplating a fund-raising project should ensure that such project is in the best interest of the Association and will not injure the image and dignity of Desk and Derrick.
- b. Any club sales item and accompanying printed materials bearing the words "Desk and Derrick," "D&D," "Association of Desk and Derrick Clubs," "ADDC," and/or the trademark (insignia) must receive Association Board approval by application through regional directors.
- c. Approval for any sales item not bearing the words and/or trademark (insignia) outlined in item b (above) shall be obtained:
 1. Club or regional items sold within that region require approval by that regional director only.
 2. Club or regional items sold in other regions must receive Association Board approval by application through the regional director.
- d. Lotteries and raffles that are prohibited by local or post office regulations are not to be conducted.

Amend to Read:

A. Fund Raising

Fund raising is permissible where necessary to further the educational purposes of our organization. Proper records and reporting must be maintained and filed in accordance with the tax-exempt status of the Association and clubs. The Association guidelines must be followed for fund-raising projects. Specific, but not all-inclusive, requirements include:

- a. Any club contemplating a fund-raising project should ensure that such project is in the best interest of the Association and will not injure the image and dignity of Desk and Derrick.
- b. Any club sales item and accompanying printed materials bearing the words "Desk and Derrick," "D&D," "Association of Desk and Derrick Clubs," "ADDC," and/or the trademark (insignia) must receive Association Board approval by application through regional directors.
- c. Approval for any sales item not bearing the words and/or trademark (insignia) outlined in Item b (above) shall be obtained:

1. Club or regional items sold within that region require approval by that regional director only.
2. Club or regional items sold in other regions must receive Association Board approval by application through the regional director.
- d. Lotteries and raffles that are prohibited by local or post office regulations are not to be conducted.

B: Promotional and Gift Items

The Association guidelines must be followed for all promotional and gift items bearing the ADDC logo or ADDC name in any manner. Specific, but not all-inclusive, requirements include:

- a. Any club contemplating a promotional or gift item should ensure that such project is in the best interest of the Association and will not injure the image and dignity of Desk and Derrick.
- b. Any such item and accompanying printed materials bearing the words “Desk and Derrick,” “D&D,” “Association of Desk and Derrick Clubs,” “ADDC,” and/or the trademark (insignia) must receive Association Board approval by application through regional directors.

Rational:

Standing Rule 8 covers the use of the logo and Desk and Derrick name for fund raising, but does not cover the NON-sale items like glassware, shirts, paperweights, and other such items given away or distributed at the regional meetings. This is a provision to control the use of the logo and name on ALL items that are created for distribution within clubs and/or at regional meetings, convention, trade shows, etc. because numerous items given away or sold at club level have misused the name, using Desk & Derrick, for example, or Association of Desk & Derrick – without Clubs – on items given to club members or regional meeting attendees over the years.

Proposed by: ADDC Board of Directors

ADDC Board of Directors	12 For	0 Against	1 Abstain
Rules Committee	8 For	0 Against	0 Abstain

Comments For:

This will help ensure that the Association logo and name will be used correctly at all levels.

This will help to maintain the integrity of our name and logo.

I approve the amendment to change the wording in the section related to the use of our name and insignia on sales and promotional items.

This clarifies things for everyone.

Great forward thinking.

All promotional and gift items should be reviewed by the Association or Regional Director to ensure the logo and name are being displayed appropriately.

All promotional and gift items should use the name in full and meet the Association Board approval.

This is a long time coming. I have seen too many misuses of the name.

March 2010

To: All Region III Members

2010 continues to fly along here at the helm, and I hope all Region III members have had plenty of opportunities for educational and professional growth so far this year. Remember that March is Desk and Derrick Awareness Month, so be sure and try just a bit harder, and make a commitment to take a few extra steps this month to invite someone to a club meeting, or send some D&D information to an industry or related business that doesn't have any members in our organization. Our efforts in spreading the word about D&D and in recruiting, are the Association's best chance for growth and survival.

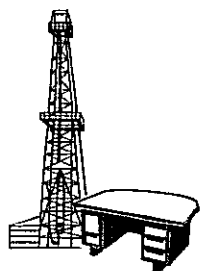

Don't forget that the Program Report, form **PRGM1** available on the ADDC Web site, **MUST** be completed and sent to Doris Mullendore, Region III Representative to the 2010 ADDC Program Committee, as soon as possible following your monthly meetings. Doris will arrange the clubs' monthly forms and forward them to the ADDC Program Chair. If your club hasn't completed and sent in the **Program Club Meet Date Email** form please do so immediately.

If your club's membership forms and dues have not been sent in to ADO, please make sure the form and dues are sent as soon as possible. Clubs whose dues are not received by the end of February may not qualify to be represented at the Region III Meeting in April.

Highlights from the ADDC Budget and Planning Meeting and the 2010 Approved ADDC Budget were sent to club presidents and should be printed in your club's bulletins or provided at your monthly meeting. Some high points from the meeting – the approval of three issues of the DDJ (March 1, July 1, and November 1); approval of the development of a Pioneer Award to honor outstanding long-time members and contributors to the Association; plans to copyright and trademark our Energy Activity Book (EAB) and educational characters PetroMolly and PetroMack; printing of 10,000 copies of the EAB and 1,000 copies of the soon available Teach Guide just to name a few.

Have you volunteered to be a Regional Rep for an ADDC committee this year? There are still openings for Region III on the EAB Series II, Publications, and Winning Image Photo Contest Committees.

If you haven't sent your registration for the 2010 Region III Meeting, April 21st -25th, 2010 in Houma, please send it as soon as you can. Planning for the

ASSOCIATION OF
DESK AND DERRICK
CLUBS

meeting is much smoother when the host club has an early indication of how many will attend. The Region Meeting in Houma is going to be a BLAST!

Keep your eyes on the horizon!

LORI L. LANDRY
2011 Region III Director Nominee
Candidate's Goals

My goals as Region III Director are to help promote our organization and to enlighten potential members as to what our organization has to offer. Our organization has many educational opportunities as well as an opportunity for personal growth.

Desk and Derrick is probably one of the only organizations where a member can learn about every aspect of the oil, gas, energy and allied industries; from land and leasing, drilling, production and regulatory.

It would be an honor to serve as 2011 Region III Director and I hope that you will allow me the opportunity to serve.

RE: Lori L. Landry

To Whom It May Concern:

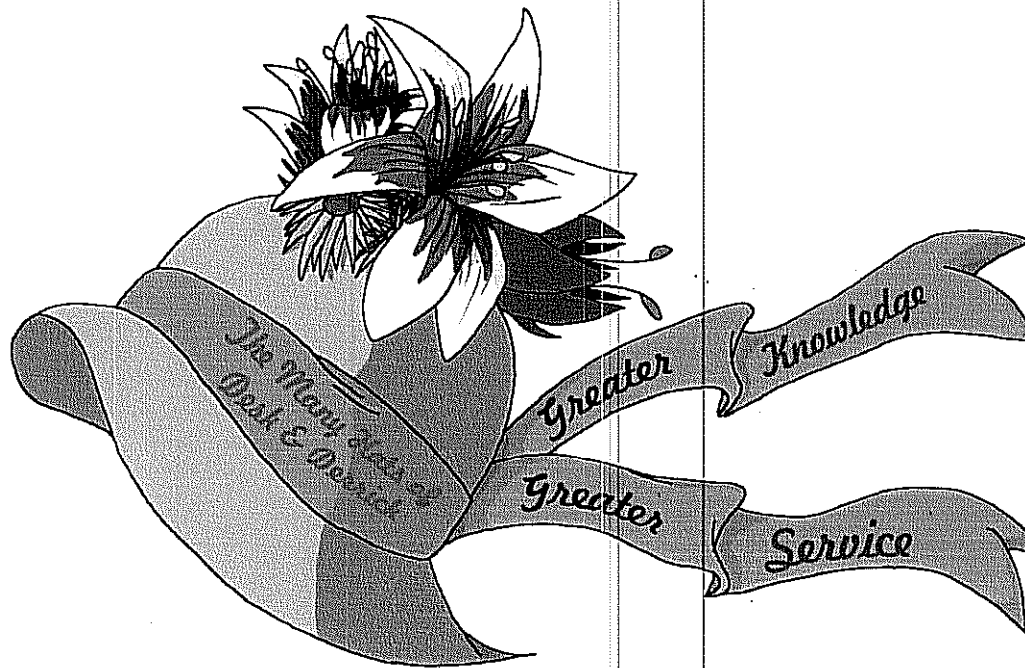

This correspondence is written in connection with Ms. Lori L. Landry's quest for the position of 2011 Region III Director. Ms. Landry has been a valuable employee of Bean Resources, Inc. for 13 years and, in addition to the many hats she wears, is responsible for the accounting and land services for the company.

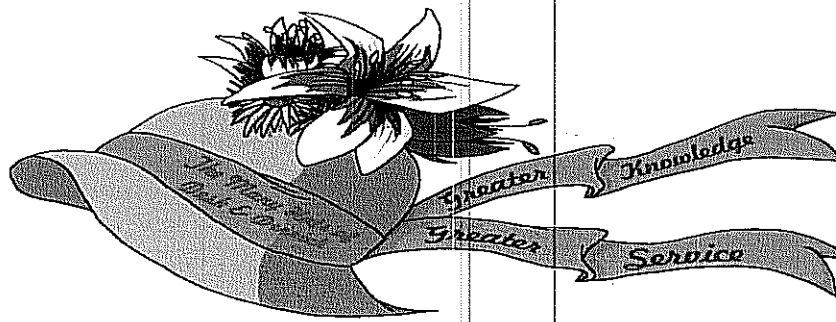

Ms. Landry joined the Desk and Derrick Club of Lafayette in 1997, when she began working for Bean Resources, and has been a faithful and active participant in the organization since that time, holding many local offices within the club. We are pleased to see that Ms. Landry is seeking an office at the Regional level of your organization and fully support and encourage her in this endeavor. In the event you have any questions and/or need any additional information, please do not hesitate to contact me.

Sincerely,

Theo B. Bean, Jr.
President

"March 2010 President's Letter"

The Ides of March 2010

Dear Members,

How ironic today's date is March 15th. The encyclopedia describes it as a day of bad happenings and a term used by the Roman calendar to denote the 15th day of a month. Yes it was bad for Caesar, but a happy day for my family, Baby Kylie came into the world today.

Since the beginning of the year it seems the "Ides of March" has applied itself both ways in our club. At this writing the Ides is unfortunately bringing to mind two devastating memories. Members Lois Jones and Linda Belsome both lost their husbands. Lois not only lost her husband but her brother-in-law, his brother, the day before. Our thoughts and prayers are still with them and their families.

Fortunately the "Ides of March" has brought good to our club also. Robbye St. Pierre has sponsored one new member. We have enjoyed two awesome guest speakers at our meetings. The Scholarship Committee is in the process of evaluating applications for nine \$1,000 scholarship to be presented in June. On the 26th of this month Angie Duplessis and Elaine Lesnak will be hosting our Annual Golf Tournament. James & Gabriella Hunter on a monthly basis help at the luncheon meeting of the local SPE (Society of Petroleum Engineers) and in their absence Gaylen Guillory, Dottie Ancona, Theresa Adams and I have represented our club. Presently thirteen members are getting ready to participate in the Region III Meeting in Houma. Dottie Ancona and Gaylen Guillory are hosting meetings in preparation for the Region III 2011 meeting in New Orleans. Ten reservations are being processed for the 59th Annual Convention in Houston. Dawn Ott has completed charring her first of our 2010 Community Projects, a care package for our servicemen in Iraq. Not only did we get three in the mail to her cousin and his platoon, but her niece Abigail, who is a first grader at St. Alphonse in Gautier, Mississippi, hear what her Auntie Dawn and her club were doing, so she asked her class to participate also. Not only did her class participate, the whole school got involved. They have sent twelve packages so far and are still collecting. They also sent individual cards to the "gies". This is the second time we send care packages. Last year we sent multiple packages to member Debbie Brazeal's son and his platoon. Vera Ledet is continuing Community Project she spearheaded in December 2009 of collecting food, cloths and household goods for the Gretna Food Bank.

"You, Go Girls"! You and the membership of the Westbank are practicing what our great Desk and Derrick Organization is all about - "GREATER KNOWLEDGE" - Abigail learned from us, in turn taught others at her school, who I am sure, will in turn get their families to do personally, at work and at church to do the same. "GREATER SERVICE" - for our community at home and on foreign shores.
