Letter 8

Dear Westbank Members,

The White Elephant Brunch was a great success. Twenty-seven members and guests joined the fun at Orleans Bistro on July 14th. It was amazing to see the items that participants brought for the gift exchange. As always, one man's junk is another man's treasure. Thanks to all who attended.

School is here...be mindful of children waiting at the bus stops. Also, be aware of your surroundings while driving especially through school zones.

Convention is drawing near. You still have time to register for field trips and seminars.

Have you had the opportunity to decide if you will be in that number to be a part of the 2019 Officers and Board of Directors? The Nomination Committee Chairman is waiting to hear from you. It only takes four hours of your time each month, so please consider joining the team. If you have a position in mind, please take time to look up the position description for each of the officer and board positions. They are included in the Westbank Club Bylaws/Handbook under the section **General Responsibilities of the Officers and Board Members**. Our club needs you as we continue the quest for **"Greater knowledge – Greater Service"**.

Remember.....**We Can Do It!**

Angie Duplessis

ADDC
c/o Christina Forth
ADDC President

Dear Desk and Derrick Members:

As most of you know, our daughter Kim passed away in April. Following a horrific three weeks in Los Angeles, California, packing and closing up her apartment, dealing with legal issues, driving her vehicle back home with many of her treasures, we were still in shock.

It took several more weeks to arrange a Memorial and Celebration of Life for our beloved, Kim. On July 15th, we had her celebration.

Roy and I cannot express in mere words, how much your cards, hugs, prayers and love throughout this difficult time has meant to us!! We were overwhelmed with those members that were able to attend the memorial/celebration in Metairie, Louisiana.

In the past, many members have expressed their appreciation for other members' support during difficult times. I did not fully understand how much reaching out to other members in their times of need or difficulty, really meant to those members. I DO TOTALLY UNDERSTAND NOW!!

Roy and I send THANK YOU to all Desk and Derrick Members for all the support, cards, hugs, prayers and love you have sent to us!!

God Bless All of You and Your Families!

Love,

Royal and Theresa Adams

Per the club's Bylaws:

ARTICLE VI - BOARD OF DIRECTORS, TERM OF OFFICE AND VACANCIES

Section 1 - **TERM.**

Section 1(a):

The Officers of the Club shall be the President, Vice President, Secretary, Treasurer, and Immediate Past President whose term of office shall be for a period of one (1) year, beginning January 1st.
No member shall hold more than one office concurrently.

Section 1(c):

The Board of Directors shall consist of the Officers, the Immediate Past President, and a minimum of one (1) and maximum of two (2) Directors elected for a one-year term.

The 2018 Nominating Committee is chaired by Judy Guillot.

The deadline to submit résumés for the 2019 Officers and Board of Directors is September 12.

Résumé form and brief list of responsibilities of Officers and Board of Directors are on the following pages.

Nominations are taken for the following:

- President
- Vice President
- Secretary
- Treasurer
- Director

We can do it! Yes, We Can!

Some of the responsibilities of the officers:

PRESIDENT

1. Coordinate and direct all business of the Club and serve as Chairman of the Board of Directors.
2. Serve as the presiding officer at all meetings of the Board of Directors and the General Membership.
3. Call any special meetings of the Board and/or membership as deemed necessary.
4. Serve as Ex-officio member of all committees.

VICE PRESIDENT

1. Serve as assistant to the President and work closely with the President, performing the duties of the presidency during any absence or inability of the President to perform said duties.
2. Succeed to the office of President should a vacancy occur.
3. Accept such duties as are delegated by the President, including chairmanship of any specified committees.

SECRETARY

1. Record minutes of the club meetings and distribute minutes to members by email; provide copies of minutes at the General Membership meetings for the members that do not have access to a computer and the Internet.
2. At least one week prior to each Board meeting, notify the Board of Directors of the date, time, and place of the meeting and furnish each Board member with a copy of the minutes of the last Board meeting.
3. Notify all committee chairmen of any joint meetings with the Board of Directors as may be called by the President at least one week prior to said meeting.

TREASURER

1. Maintain the permanent financial records of the Club and handle all of its funds, keeping an open set of books.
2. Secure proper signature cards as required for all accounts at the beginning of the year, no later than January 15th.
3. Sign all checks jointly with the President and/or Vice President.
4. Complete the "Transmittal List For ADDC Membership Dues."
 - a. Forward the form along with appropriate dues and assessments to the Association Distribution Office and Region Treasurer in a timely manner.

DIRECTOR

1. Send the appropriate card in the event of sickness or death.
2. Serve to record minutes in the absence of the Secretary.
3. Serve to other duties as assigned by the President.

Coupons for Troops

When something's expired you have to get rid of it, right? Not when it comes to coupons. Did you know?

- **Expired coupons work.**
Save them whether they're active or expired (Not expired more than 3 months). Coupons can be used on overseas military bases for up to six months past their expiration date.
- **Military families benefit.**
Many military families rely on donated coupons to help offset the expense of living overseas.

-- Bagging Instructions --

1. Cut out the coupons.
 2. Sort coupons into two piles by status:
 - a. Expired. Not expired more than 2 months. (e.g. if today's date is 3/1/2018, you would cut out coupons with an expiration date that is not older than 1/1/2018).
 - b. Unexpired. At least two months of life left.
 3. Sort each of those two piles into four piles by type:
 - a. Food items
 - b. Non-food items
 - c. Baby food/items
 - d. Pet items (like dog food)
 4. Stuff them into plastic baggies.
 5. Write the status (Expired or Unexpired) and the type (food, non-food, baby, or pet) on them.
 6. Total the retail savings of the baggies and write it on them. This helps us track the value of the overall program.
- Only "Manufacturer's Coupons" can be used. They can be from the newspaper, dispensers in grocery stores, tear-pads, and elsewhere as long as they state "Manufacturer's Coupon" on them. No assistance vouchers. No food stamps. No store coupons. No restaurant coupons. No Internet coupons.

Thank you for making a difference in the lives of our military troops and their families!

August, 2018

We are one step closer to completing the necessary requirements to go forward with the formation of the Southeast Region for 2019. The Committee for the Southeast Region Fund Bylaws has done an excellent job of incorporating your comments and concerns into the revised Bylaws. Committee members Ada Weeks, Dorothy Semon, Cindy Miller and Evelyn Green have worked tirelessly to complete this task and are to be commended for a job well done!!! They have been forwarded to the Presidents of Region III clubs for their discussion with club members during the months of July and August at their monthly meetings. The deadline to cast your vote is August 31, 2018. A reminder will be sent mid-August.

Of course, with the formation of the Southeast Region we bid fare well to Region III as we know it. We will no longer need some items that were particularly dedicated to Region III, such as the banner that has been used at our Region III Meeting year after year, and the treasured gavel that was passed down from Region III Director to Region III Director. New ones will need to be purchased and/or made, if that is the desire of the Southeast Region Director and club members. Those are only material items and can be replaced.

We should now focus on the growth of the Southeast Region and the increase in its membership. One way to look at it is that our Desk and Derrick family will be growing, and will hopefully continue to grow as time goes by.

In addition to changing from Region III to Southeast Region, we will soon usher in a new Southeast Region Director, namely Evelyn McCurley-Ingram of the Laurel Club. It's not too early to sign up to chair or work on a committee. I know first-hand that she will have several committees to be chaired and is anxiously seeking to fill the positions as soon as possible so she can get her plans underway. As current Region III members will be joining some past Region IV members, what better way to meet and make new friends than to work together and help make next year's region meeting a success. I know for a fact the Victoria Club already has their planning and statistics underway.

I sincerely hope you are enjoying your summer and are gearing up for a fun-filled, education packed ADDC convention in Evansville, Indiana.

Keep in mind that school will soon be back in session so watch out for the children as they head back to class.

Carol Schiavone
Region III Director

The New Orleans Club celebrated its 68th Anniversary on June 14th. New Orleans Club was, and always will be, #1!

Where has the time gone? We are half way through the year, so maybe next time I won't blink. We have been busy again with a lot of projects on the go.

Please have a look at the advertising package that has gone out, what a great way to reach so many people and companies. Thank you, Tracy and Carrie for putting this together from the business strategy plan.

Alicia Young! You have taught us so much about Social Media. Thank you for the hours you have put into this, along with Casi, Wendy and Wayne. Please find us on Face book, Twitter and LinkedIn. This also a part of the business strategy that we implemented.

Val Williams! Thank you for doing the update on our D&D Standard Oil & Gas Abbreviator, 7th Edition. Also, from the business strategy.

We might have a grant writer that has come forward, but we can use another person to help out. We have 3 grants we want to apply for.

A Bit of fun Activity books, the 3rd addition are available, please make sure to help promote us through these great books.

As of today, we have 93 people registered for convention. I am getting so excited. We have been working hard on conventions details as well. Thank you, Region II! Follow #ADDCCon18 for all the latest updates on Twitter. Thank you to members for helping and stepping up with convention and giving speeches, introductions or invocations. I appreciate it so much!

LoriLandry has sent out her report for 2019 Slate of Candidates, please take time and come prepared to convention. First time in a long time we have dual candidates.

Call to convention has gone out as well, other details in the Regional Director reports. Please ensure, Presidents that the CRED2 forms are sent in. September 4th, 2018 is the deadline.

There has been changes to the lay out of the ADDC website. Wayne and I worked hard to get this hopefully easier to read. Thank you, Wayne.

Treasure report, 2nd quarter is being worked on and will be coming out to membership shortly. We are currently at 1229 members this year. Let's keep going!

With the new alignment coming in 2019, here are the new Regional Directors: Donna Siburt, 2019 Northeast Region Director. Connie Bass, 2019 Central Region Director. Philana Thompson, 2019 Western Region Director. Evelyn McCurley-Ingram, 2019 Southeast Region Director. Congratulations to all of you!

The month of August is always exciting as we focus on Convention. Member registrations are trickling in. I am looking forward to processing many more registrations in August for this historic Convention.

Remember, I am here to help you grow your clubs and retain existing members. Please contact me via phone or email and I will be happy to assist in every way possible.

If you have an opportunity to have a presence at a chamber of commerce event, trade show, or the like, please let me know and I will make sure you have brochures to display and hand out to potential new members.

Remember, ADDC membership is open to all individuals within the energy and allied industries as well as anyone interested in learning more about the energy industry. Working together, we will all be able to assure that the ADDC will continue to grow! The brochures are available to clubs at no cost. However, we are asking clubs to reimburse the Association for shipping costs.

We continue to receive sporadic orders for the **third edition** of the [Bit of Fun Energy Activity Book](#). It is a great educational tool for teaching the younger generation how oil and gas affects their lives.

Please encourage your club members to register to attend the ADDC Convention and Educational Conference in Evansville, Indiana. [Convention](#) information is available on the ADDC website or from me. In our second year is the benefit to safely and securely remit your convention payment [online](#), which requires a credit card. You may also remit payment via check. We hope to see a great turnout for our 67th annual Convention. The GAC team and your ADDC Board of Directors are working very hard to make this a Convention that attendees will not soon forget!

Association of Desk and Derrick Clubs Seminars
Thursday, September 20, 2018
Old National Events Center—Main Floor Locust Rooms
715 Locust Street, Evansville, IN 47708

Time 9:30 AM – 10:30 AM	Seminar #1 Fishing for Oil in the Soil...By Seismic	Speaker Richard A. Degner
Richard A. Degner, founder and CEO of Geophysical Technology, Inc., Bellaire, TX, an oil field technology firm focused on next generation geophysical development, is eager to share his extensive knowledge and experience in the world of seismic as a tool in the search for oil. With four years building PGS Onshore and a 16-year career with Western Geophysical, he has designed and executed hundreds of land and transition zone 3D projects world-wide.		
Time 9:30 AM – 10:30 AM	Seminar #2 From Drilled Well to Consumer Use	Speaker George Morgan
Having studied electrical engineering at the University of Southern Indiana, Mr. Morgan began his career with Indiana Farm Bureau in 1977 (now Countrymark Energy Resources, LLC). With knowledge that comes from education, as well as hands-on experience in most every aspect of the company's pipeline and production operations, Mr. Morgan will be presenting an overview of the journey crude in the ground travels on its way to the consumer.		
Time 10:45 AM-11:45 AM	Seminar #3 IPRB - Increasing Awareness-Restoring the Land	Speaker Gary Henigman
Gary Henigman, is Director on the Illinois Petroleum Resources Board (IPRB) and the Illinois Oil and Gas Association and is excited to share the mission, goals and accomplishments of IPRB, as well as the challenges that lie ahead, as they move into their third decade. IPRB utilizes its expertise and industry funding to restore abandoned sites previously used for oil and gas production back to commercial or agricultural use at no cost to the current landowner.		
Time 10:45 AM-11:45 AM	Seminar #4 It All Flows Downstream – Drilling & Spilling Environmental Responsibilities	Speakers Linda Henning, Marketing Director Elastec Kyle L. Russell, Sahali Environmental LLC
Producing, transporting, refining and storing crude and petroleum products require planning preparedness in the event of an oil or other hazardous material spill. Ms. Henning and Mr. Russell are pleased to share their knowledge and experience in helping keep our world clean and environmentally safe following a spill of potentially hazardous materials.		
Time 2:15 PM – 3:15 PM	Seminar #5 Professional Land Surveying	Speaker Brian Schuh, Professional Land Surveyor
In the world of oil and gas production, a miscalculation in determining property lines or lease boundaries could mean costly delays, and, in some cases, could lead to legal battles. Brian Schuh, Manager of the Oil and Gas Department at HLR Engineering (formerly Lamac Engineering), has participated in surveying over 1500 well locations and is eager to share how and what he does as a surveyor in the oil and gas industry in a way that is not only informative but equally educational and entertaining.		
Time 2:15 PM – 3:15 PM	Seminar #6 Think Positively—Proceed With Confidence	Speaker Sharon Holland-Welge
As a Motivational Speaker, Professional Organizer and Adjunct Business Professor, Sharon Holland-Welge inspires others to tackle life's challenges, organize their surroundings and set sail confidently into the voyage of life. Anchored to regret? Missing the wind in your sails? Stuck in your stuff? Need hope for your future? Sharon has been there—she understands—and she's motivated. Join her, weigh your anchor and set sail for what lies ahead!		

**2018 ADDC Certification Program
Completion and Production
Thursday, September 20, 2018 --- 8:00 AM-5:00 PM
Instructors: David Briggs and Bryan Dicus
Location: CountryMark Pavilion, Mt. Vernon, Indiana**

We are excited to confirm the 2018 ADDC Certification Class on Completion and Production taught by Mr. David L. Briggs and Mr. Bryan Dicus will take place at the CountryMark Pavilion located in Mt. Vernon, Indiana on Thursday, September 20, 2018. The Pavilion is an interactive educational exhibit and meeting facility which will enhance your learning experience. Transportation to and from the Pavilion will be provided courtesy of CountryMark Refining and Logistics, LLC. Lunch is included.

David L. Briggs is a Consulting Geologist for Countrymark Energy Resources, LLC in Evansville, Indiana. His duties consist of well site geology, oil property evaluation for new drilling, re-completion, and waterflood potential and design.

Married with two children, Mr. Briggs graduated from Lincoln Trail Junior College in Robinson, Illinois with an Associate Degree in Applied Science in Petroleum Technology in 1973 and Indiana University in Bloomington, Indiana in 1977 with a Bachelor Degree from the School of Arts & Science with a Geology Major. He is a registered Professional Geologist in Kentucky; a member of the Indiana-Kentucky Geological Society; member of the Kentucky Oil & Gas Association; member of the Indiana Oil & Gas Association; and a member of the Independent Oil Producers Association.

He is also the President and owner of JEN Energy Corp. in Newburgh, Indiana, a company that operates oil and gas properties and does geological consulting.

He is a past Executive Vice President and owner of Mobile Fluid Recovery, Inc. in Toledo, Ohio; Evansville, Indiana; and Brampton Canada. While there he developed patented technology for solvent rags and absorbent recycling. Recycling activities consisted of reclaiming polypropylene solvent wipers and polypropylene absorbents into raw material for vehicle parts; absorbent recycling where absorbents were reused many times before being discarded or recycled, and recovered liquids were reclaimed for reuse. Additionally, he co-developed with Federal Mogul Corporation the recycling of Asian fiberboard into acoustic components for vehicle parts.

Mr. Briggs also served as an Environmental Consulting Specialist for several companies in Evansville, Indiana and as a Consulting Geologist in the Illinois Basin.

He received the Daimler-Chrysler 2001 and 2005 International "Environmental Leadership Awards", the General Motors North American Operations 2004 Environmental "We Care Award" and the General Motors 2011 "Environmental Excellence Award".

Bryan Dicus is currently a self-employed operator and engineering consultant. Mr. Dicus is a Petroleum Engineer with over 30 years of progressive technical and management experience in the oil & gas industry covering a variety of aspects in drilling, completions and production of both conventional and unconventional reservoirs.

Prior experience includes serving as Senior Vice President of Exploration and Production for Core Minerals. Mr. Dicus worked for Noble Energy, Inc. and predecessors Patina Oil & Gas, Elysium Energy LLC and Equinox Oil Company for a combined 17 years. Beginning as a Production Engineer and later serving as Completions Engineer, Lead Engineer and Operations Manager. Mr. Dicus finished his service with Noble Energy as Project Engineer Advisor in their International Engineering Services group. Mr. Dicus began his professional career with Mobil Oil Corporation spending 7 years involved in many Mid-Continent oil & gas properties where he specialized in hydraulic fracturing, waterflood optimization, profile modification and completion technology.

Mr. Dicus obtained a Bachelor of Science degree in Petroleum Engineering from the University of Missouri-Rolla. He is a member of the Society of Petroleum Engineers. He currently serves on the Executive Board for the Illinois Oil & Gas Association and previously spent 7 years on the Illinois Petroleum Resource Board.

Dear ADDC Members:

The Foundation NEEDS YOU!!! We are looking for a FEW Good Members,,, to serve as ADDC Foundation Trustees. Please contact me at theresabadams@bellsouth.net for information or go to our website: addcfoundation.org to fill out an application and forward to me no later than August 15, 2018!!

The Foundation has assisted six regionals with grants for funding their educational seminars and/or field trips' and we will sponsor the Industry Symposium again this year at Convention.

In addition, the Foundation also helps other entities to develop energy projects, events or displays. So, if you know of an energy project that might need assistance with funding, please let us know.

The Foundation can only continue to supply funding for projects, regional grants and these symposia through your contributions. We wish to thank the following since March, 2018:

Edmonton Club, 2018 Region VII Meeting - honor of Keynote Speaker

Tulsa Club – honor of speakers: W. Smith; L. Alspaugh

Graham Club – honor of Region IV speakers

Red River Club – honor of speakers: J. LeBlanc; D. Smith; and other

2017/2018 speakers

Red River Club – memoriams, B. Ross; M. Lott; V. Huber

Debi Baiaomonte – memoriam, Kim Adams

MaryAnn Talabock and JoNel Savoy – memoriam, Kim Adams

Valina Blanchard – memoriam, Kim Adams

Linda Krech – memoriam, Kim Adams

Natalie McClelland – memoriam, Kim Adams

Val Williams – memoriam, Kim Adams

Dorothy Semon – honor of Carol Schiavone

Ada Weeks – memoriam, Keith Menard

For Foundation information, please visit our website. You will find detailed information about the Foundation, contact info for the trustees, Contribution Form, and other important information.

As always, we sincerely appreciate your continued support.

Theresa

THINGS TO DO AND PLACES TO GO IN EVANSVILLE

The DoubleTree Hotel offers a free shuttle ride for its guests to any of a variety of sites and restaurants within a five-mile radius of the hotel. Some of the sites within that five-mile radius you might want to visit include:

1. Evansville's Riverfront where you can:

- A. Reflect at the Four Freedoms Monument and the Vietnam Memorial
- B. Tour the Evansville Museum of Arts and Science
- C. Explore the Transportation Museum
<https://evansvillemuseum.org/events/transportation-center>
- D. Experience the Koch Immersive Theatre
<https://evansvillemuseum.org/koch-immersive-theater>

2. Tour the USS LST 325

https://military.wikia.com/wiki/USS_LST-325

3. Dream a bit at the Dream Car Museum
<https://dreamcarmuseum.com>

4. Enjoy Franklin Street's Restaurants and shops

5. Take a step back in time at the Historic Reitz Home
<https://www.reitzhome.com>

6. Try your luck at the Eldorado Casino
(Formerly the Tropicana Casino)

7. Shop until you drop at Eastland Mall

8. Do some research at Willard Library, the third largest genealogy resource in the U.S.

9. Go wild at Mesker Park Zoo and Botanic Garden
<https://www.meskerparkzoo.com>

What's Affecting Oil Prices—Week of July 30, 2018 (Oil and Gas Investor)

Brent rose \$1.34/bbl last week to average \$73.85/bbl, while WTI was basically flat and averaged \$68.80/bbl.

Refinery economics remain supportive of further runs globally and the Suncor Syn-crude outage will continue to support WTI. There are no new geopolitical events on the horizon, but if something were to develop it would likely be bullish for prices. For the week ahead, we expect Brent to maintain its strength and average \$74/bbl.

WHAT'S AFFECTING OIL PRICES THE WEEK OF JULY 30, 2018?

• Geopolitical Unrest

• Dollar vs. Euro

• Global Supply

• Oil Demand

• Refining Sector

• Oil Trader Sentiment

↑ Upward pressure on prices ↓ Downward pressure on prices

FACT SHEET

Hurricane Preparations & the Oil and Gas Industry

Louisiana's oil and gas industry is committed to protecting its employees, contractors, facilities and the environment from the impacts of hurricanes. This includes efforts to minimize environmental releases caused by potential storms and a commitment to safely and quickly bringing operations back to normal.

Industry is continuously striving to improve hurricane preparation and response plans to lessen storm impacts and shorten the time it takes to recover. Each industry sector starts preparations at different times prior to landfall and these activities are addressed below.

OFFSHORE EXPLORATION & PRODUCTION

Offshore exploration and production is the first industry sector to react to a possible storm event. Prior to a storm's arrival, offshore facilities are secured and all personnel are evacuated in stages.

Since evacuation of offshore facilities can only be accomplished by boat or helicopter, all non-essential personnel who are not required to operate and shut-down rigs and platforms are removed first when a storm threatens the Gulf of Mexico.

Drilling Rigs cease operation and all rig personnel are evacuated. Rigs that can be moved are relocated out of the storm's path. With proper notification of a projected storm track, drillships can be relocated to a safe location out of a hurricane's path.

Fixed production facilities are then evacuated. Oil and gas production is ceased, sometimes remotely by computer control from onshore facilities. Producing wells are "shut-in" by valves required by the

government that are located well below the sea floor. These "subsurface safety valves" are designed to prevent pollution if the hurricane damages the producing rig.

Even with the intensity of the active 2005 hurricane season, there were no injuries and no loss of life on offshore facilities.

ONSHORE EXPLORATION, PRODUCTION & PIPELINE FACILITIES

Preparation for onshore, production and pipeline facilities is not much different than that for offshore facilities, with the exception that they can continue to operate longer than offshore facilities. The same evacuation, safety and environmental protection controls are employed.

Louisiana Mid-Continent Oil and Gas Association, founded in 1923, is a trade association exclusively representing all sectors of the oil and gas industry operating in Louisiana and the Gulf of Mexico. LMOGA serves exploration and production, refining, transportation, marketing and mid stream companies as well as other firms in the fields of law, engineering, environment, financing and government relations.

GREATER KNOWLEDGE—GREATER SERVICE

ADDC Mission

Our mission is to enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy, and allied industries through education by using all resources available.

Westbank Oil Patch is published by the Desk and Derrick Club of the Westbank to provide information to its members regarding the ADDC (at all levels—Association, Region, and Club) and energy and allied industries .

Byline and credited articles represent the views of the authors and editor. Publication neither implies approval of the opinions nor accuracy of facts stated.
