Letter 9

Dear Westbank Members,

The Bunco Fundraiser for our scholarship fund was a great success.
Kudos to all who participated in this event.

By now I hope that everyone has had the opportunity to read over the Officer and Board Responsibilities and decide which position suits you the best. Complete the Nomination Resume Form, contact Judy Guillot, Nominating Chairman and let her know that you are interested in serving as a member on the 2019 Officers and Board of Directors.

Later this month Judi Adams, Theresa Adams, and I will be representing the Westbank Club at the 67th ADDC Convention in Evansville, Indiana. Be sure to look for Convention Highlights in the October bulletin.

Remember.....*We Can Do It!*

Coupons for Troops

When something's expired you have to get rid of it, right? Not when it comes to coupons. Did you know?

- **Expired coupons work.**
Save them whether they're active or expired (Not expired more than 3 months). Coupons can be used on overseas military bases for up to six months past their expiration date.
- **Military families benefit.**
Many military families rely on donated coupons to help offset the expense of living overseas.

-- Bagging Instructions --

1. Cut out the coupons.
 2. Sort coupons into two piles by status:
 - a. Expired. Not expired more than 2 months. (e.g. if today's date is 3/1/2018, you would cut out coupons with an expiration date that is not older than 1/1/2018).
 - b. Unexpired. At least two months of life left.
 3. Sort each of those two piles into four piles by type:
 - a. Food items
 - b. Non-food items
 - c. Baby food/items
 - d. Pet items (like dog food)
 4. Stuff them into plastic baggies.
 5. Write the status (Expired or Unexpired) and the type (food, non-food, baby, or pet) on them.
 6. Total the retail savings of the baggies and write it on them. This helps us track the value of the overall program.
- Only "Manufacturer's Coupons" can be used. They can be from the newspaper, dispensers in grocery stores, tear-pads, and elsewhere as long as they state "Manufacturer's Coupon" on them. No assistance vouchers. No food stamps. No store coupons. No restaurant coupons. No Internet coupons.

Thank you for making a difference in the lives of our military troops and their families!

Region III Director's Newsletter

September, 2018

Fall is finally coming – well, almost. Instead of 3-digit weather, we are now in the 90's, with 100% humidity. For us here in the Southeast, that's certainly a cooling trend! Fall also brings us closer to attending the ADDC convention in Evansville, Indiana. Evelyn McCurley-Ingram (Southeast Region Director-Elect) and I will be attending the Pre-Convention meeting to be held September 17th. It's not too late – send in your registration ASAP. If you have any items you would like discussed at the meeting, please do not hesitate to send me an email so I can bring it before the Board.

Please go to the website and go over the Rules for Convention. By now all delegates should have sent in their credentials, if not, please do, otherwise you will NOT be able to vote. Remember, this is a business meeting, and we should dress accordingly.

I would like to take this opportunity to wish all AIMEE contestants **GOOD LUCK** on their entries. Remember you are already a winner for having written an article to be submitted. Members, if you haven't written an article this year, make plans to get involved in 2019 – **YOU CAN DO IT!!!**

There is a dual slate of very qualified candidates for 2019. Please take the time to go over there qualifications so your delegates can make an informed decision. Those who are elected to office for 2019 will need your help. Volunteer to chair or be involved on a committee. Also, any proposed bylaws changes should be reviewed as well. **KNOWLEDGE IS POWER!!!**

Region III Clubs are soliciting members to run for office for the coming year, 2019. Be a part of the future of Desk and Derrick – get involved at the local level. If you've already served at the local level, step up to the Regional level. Incoming Regional Directors can't do it alone – they need our help as well. It's up to each of us to continue Desk and Derrick's **PAST, PRESENT and FUTURE!**

HAVE A GREAT TIME IN EVANSVILLE!!!

Good Afternoon, Membership.

It seems the summer has passed; the temperature is a realization of that fact. Wishing everyone had time to enjoy a bit of our summer.

This month has been mostly about planning for convention. Thank you to those members who have stepped up to help. I would like to thank Region II for their hard work in getting ready for your visit. We currently are at 160 members registered today and can't wait to see all of you in Evansville. Thank you to everyone who has helped with a report, an invocation, an introduction, a planned field trip, seminars, it is a lot of work, and wanted to send out as much Thank Yous as I can.

We are working on bringing back the Energy Person of the Year award. More details are to come. We were hoping to have this done for convention, but time caught up to us. We are also working on a membership survey. Please be on the lookout for this, as it will happen just shortly after convention.

Social media is still going strong, please sign up under the ADDC face book to get more information. Find us on LinkedIn or Twitter. Advertising team is still working strong and will have a write up for this insight. Please take some time and read about it. The ADDC Store is also working on another order coming up. Please be on the lookout for these details as well. The board has been working hard on reviewing upcoming conventions. Planning for 2021, more details to be announced a convention. We have a lot going on this year, and thank you for your support.

I wish everyone safe travels, who is attending convention. See you soon! If you are not attending convention but want to reach out to me, please feel free to do so. I am reachable by email or phone all the time.

Where has the time gone? Two-thirds of 2018 is now history! The [67th Annual ADDC Convention and Educational Conference](#) is upon us! In just two short weeks, we will be meeting in Evansville, Indiana, for [#ADDCCon18](#). We have lined up some [great certification class instructors](#), [great symposium panelists](#), and great keynote speakers for [Friday](#) and [Saturday](#)! It promises to be a historical conference you do not want to miss!

For those of you who have been considering attending—but have not yet completed and submitted your registration form—there is still time to do so. However, you need to send in your registration form, emergency contact form and payment as soon as possible. The clock is ticking, so emailing your forms is preferred. Remember you may pay by check or [online](#).

160 of your friends, colleagues, energy industry professionals and their guests are attending [#ADDCCon18](#). Do you **really** want to miss out on this educational networking opportunity?

In October, I will be distributing 2019 membership renewal packets to our Club Presidents. This will be our second year of distributing these packets in the fourth quarter. Our goal is to have membership renewals completed in January. Believe it or not, this is an attainable goal. Should you require additional information, clarification or assistance, please do not hesitate to let me know sooner than later.

I would like to thank all of you for an educational year as your Business Manager. I look forward to seeing each and every one of you at Convention and hearing spirited discussions regarding the bright future of the Association and the energy industry.

Best regards,

Wayne Ammons
Business Manager

ADDC SCRAPBOOK CHAIRMAN REPORT 2018**DONNA HAYDUK – CHAIRMAN**

The Edmonton Desk & Derrick Club has volunteered to prepare a Scrapbook of Memories for 2018 ADDC President Christina Forth. I, Donna Hayduk, am the Chairman of this committee.

The main objective is to compile a record of events and pictures that occur throughout the Association during the current year (2018) which depicts overall Desk and Derrick Activities and activities of 2018 ADDC President – Christina Forth- in which ADDC was being represented.

I will be creating a traditional scrapbook for Christina. I am requesting pictures, articles, bulletins, etc. of important events and activities during the year 2018. I am reaching out to the ADDC Board, ADDC Committee Chairman, the Regional Directors and all club presidents to forward information to me. We want Christina to have memories of the all the Association Members to reflect on for years to come.

Deadline for submissions is March 30, 2019. I am suggesting you send as soon as possible while events are fresh in the Clubs, Regions and Association.

Because this is the final year of all seven regions in the Association I'm sure each Club and Region celebrated years of nostalgia and memories both at the Regional Meetings and Club level.

I am requesting that Wayne distribute my report and requests to all levels of the ADDC Membership.

You can either mail your memories to me or email them to me. I **PREFER** that you mail your information to me as I am retired and my home computer may end up on overload trying to download and copy everything. I am preparing a traditional scrapbook with 50 pages for memories. Please take into consideration the size of documents-pictures you are sending.

**KEYNOTE SPEAKER
FRIDAY INDUSTRY LUNCHEON
FORMER EXECUTIVE V.P. ILLINOIS OIL & GAS ASSN.
BRAD RICHARDS**

Brad Richards served as the Executive Vice President of the Illinois Oil & Gas Association for 14 years. During that time, IOGA was engaged in numerous legislative and regulatory matters including a re-write of the Drilling Operations Act, significant revisions to regulations governing oil and gas operations, and the legislation to regulate high volume hydraulic fracturing. Brad has a Master's Degree in Geology from Southern Illinois University at Carbondale. Since September 2016, Brad has been employed by Bi-Petro, Inc. where he assists with both their crude oil purchasing and production divisions.

**KEYNOTE SPEAKER
SATURDAY BANQUET
ILLINOIS STATE REPRESENTATIVE,
TERRI BRYANT**

Illinois State Representative, Terri Bryant, was elected to the Illinois House of Representatives in November 2014 to serve the 115th District located in Southeastern Illinois and currently serves on the following committees: Aging; Community Care Program Sub Committee; Human Services; Healthcare Licenses; Higher Education; Judiciary Criminal; Sentencing Penalties and Criminal; and Tourism Hospitality, and Craft Industry. She is also a member of the Sexual Harassment Task Force and the Chairman of the At Risk Women's Task Force.

Rep. Bryant is a former President of the Governing Board of the Illinois Lincoln Excellence in Public Service Series, Vice Chairman of the Jackson County Republican Party, Vice President of the Jackson County Republican Women's Organization, and Former Coordinator of Coalitions for the Illinois Republican Party.

Rep. Bryant's commitment to public service began in 1994 at the Illinois Department of Corrections where she rose to the rank of Public Service Administrator at the Pinckneyville Correctional Center and the DuQuoin Impact Incarceration Program before retiring in 2014 after 20 years of service.

Mrs. Bryant also has experience in the private sector first through farming with her husband (Rick) and then later as a successful small business owner when Terri along with Rick and her grandparents built the Bluebell Restaurant in Murphysboro, IL, a successful restaurant frequented by many in the southern Illinois region. She and Rick have one son, Tyler, and one daughter, Tara, and are the proud grandparents of two granddaughters and two twin grandsons.

Welcome to the new ADDC Store

Have you always wanted an ADDC shirt, and just didn't know where to get it? How about a cap with our logo? Or maybe just something small to put on your desk?

Now you can!!!

Once a quarter, we will be taking orders for a modest offering of ADDC Wear. Orders will be placed on May 15th, August 15th and November 15th, and shipped within 10-15 days. Just think—you can have a new polo shirt by Convention or Christmas! Items are available to **members only**. Orders must be placed by the 10th of each order month. No inventory will be kept at the ADO, so if you place a request after the order dates, your order will fall into the next quarter's order.

Items available—black polos with the ADDC oval, white t-shirts with the blue/green trade stamp in women's and men's pocket tees, khaki ball caps, and ADDC oval magnets. See order form for pricing and shipping details.

US Oil Rig Count Holds Steady

U.S. energy companies kept the oil rig count unchanged this week amid a steady decline in crude prices, which hit a near two-month low earlier this week.

The rig count, an early indicator of future output, held at 869 in the week to Aug. 17, Baker Hughes, a GE company (NYSE: BHGE), said in its weekly report. U.S. crude futures were on track to fall for the seventh straight week as global trade disputes fueled concerns about slowing economic growth, which could hurt the demand for energy.

The U.S. rig count is much higher than a year ago when 763 rigs were active. Energy companies have been ramping up production in tandem with OPEC's efforts since the start of 2017 to cut global output. So far this year, U.S. oil futures have averaged \$66.30 per barrel. That compares with averages of \$50.85 in 2017 and \$43.47 in 2016. Looking ahead, crude futures were trading at \$65 for the balance of 2018 and \$63 for calendar 2019.

In anticipation of higher prices in 2018 than 2017, U.S. financial services firm Cowen & Co. this week said the E&P companies they track have provided guidance indicating an 18% increase this year in planned capital spending. Cowen said those E&Ps expect to spend a total of \$85.3 billion in 2018, up from an estimated \$72.2 billion in 2017.

Analysts at Simmons & Co., energy specialists at U.S. investment bank Piper Jaffray, this week forecast average total oil and natural gas rig count would rise from 876 in 2017 to 1,031 in 2018, 1,092 in 2019 and 1,227 in 2020, little-changed from last week. A total of 1,057 oil and gas rigs are currently in service.

So far this year, the total number of oil and gas rigs active in the United States has averaged 1,013. That keeps the total count for 2018 on track to be the highest since 2014, which averaged 1,862 rigs. Most rigs produce both oil and gas. U.S. crude oil production in 2018 is expected to rise 1.31 million barrels per day (MMbbl/d) to 10.68 MMbbl/d, lower than July's forecast of growth of 1.44 MMbbl/d to 10.79 million, according to the U.S. Energy Information Administration.
