Letter 2

Dear Westbank Members,

February brings us a mix of holidays and adventures, even if most of us are celebrating and adventuring from our couches and recliners. From Groundhog Day (Feb. 2) to Valentine's Day (Feb. 14) to Presidents' Day (Feb. 15) and Mardi Gras (Feb. 16) we can all find something to celebrate. Then comes Lent – Ash Wednesday – a time of fasting and repentance for many. February adventures could include a ride down St. Charles Avenue to see the Krewe of Houses; a day-ride to the Gulf Coast; a quick trip to see what's blooming in the bayous along the nature trails; or dropping off groceries at a local food bank. Even though we are still in levels of quarantine, we can find things to do that are fun, reverent, helpful, and meaningful.

It was great seeing our members' faces and hear their voices on the Zoom meeting last month. The human interaction with our Desk and Derrick colleagues and friends is what I've missed the most over the past year. If we all take precautions, maybe we'll be able to meet in person soon.

Did our January speaker Kenlie Fite inspire you to perform any Random – or Intentional - Acts of Kindness? She always inspires me to be kinder and more mindful of my actions and their effects on others.

I hope you'll be able to join us in the Zoom meeting on February 24th as we learn about the Plaquemines Port from Deputy Port Director Paul Matthews. The port gives Gulf of Mexico access to 33 states for intramodal commerce.

You'll hear me use the word hope a lot this year – that's my theme: H.O.P.E – Have Only Positive Expectations. So in February, let's all hope that our club will meet in person soon, our members will have good health, and the energy industry will recover.

Hope is being able to see the light despite all of the darkness. Desmond Tutu

What's happening with the Westbank?

Treasurer—Debbie Brazeal

The December Treasurer's Report, 2020 Year-End Budget, and 2021 Proposed Budget were approved at the January Membership Meeting. Maggi Franks has volunteered to audit the 2020 Treasurer's books.

General Arrangements—Elaine Lesnak, Chairman

We will meet via Zoom until it is safe to meet in public again. Monthly email notices will be sent out with information on meeting dates, times, and speakers. Zoom is free to download on your iPhone, android, laptop, tablet, or computer. The Board is watching the COVID-19 numbers in Jefferson Parish. We have signed the 2021 contract with Boomtown and once we are sure that it is safe for our members to meet and dine in the conference room, we will.

Membership—Susan Miller, Chairman

We received 30 renewals in January.

Renewing members are Judi Adams, Theresa Adams, Kori Allemand, Dottie Ancona, Grace Bankston, Linda Belsome, Cora Bergeron, Debbie Brazeal, Jo Ann Brown, Angie Duplessis, Becky Eyemard-Leger, Maggi Franks, Glenda Gaither, Zelda Gillan, Dawn Ott-Goode, Alice Gros, Gaylen Guillory, Judy Guillot, Sylvia Hohmann, Pam Lauckner, Cheryl LeBoeuf, Vera Ledet, Kerry Le-maire, Elaine Lesnak, Linda Loftin, Evelyn McCurley-Ingram, Charles Miller, Susan Miller, Bonnie Wall, and Ben Waring. And Kathy Denley says, "The check is in the mail!"

The deadline to get renewing and new members approved is February 17th. Contact Susan Miller. Any new members will pay \$70 dues.

Scholarship

Due to lack of funds in the Scholarship Fund, we will not be giving out scholarships this year. All funds collected this year will be applied toward 2022. At this time, the Bunco Fundraiser is scheduled for August 7, 2021.

Community Service—Angie Duplessis, Chairman

Angie Duplessis is still collecting forms for 2021 projects—the form is on page 6 of the bulletin. Please complete and send to Angie before February 15th. The projects can be anything that benefits the community but must be handled safely for our members and the organizations we support. We can still collect items for St. Joseph Apartments, Gretna Food Bank, Cards for Soldiers, and Toys for Tots. We'll just have to collect and distribute them differently this year.

Keep all of our members and their families in your thoughts and prayers. Many are going through difficult times with health (theirs and their loved ones), employment (or unemployment), or feelings of isolation or loneliness. Send a card or make a phone call—it could really brighten someone's day.

February, 2021

And it's February. Just like that we are entering our second month of a whole new year. I truly hope your 2021 is looking brighter compared to 2020. I see some clubs are still meeting through a virtual setting while others have decided to meet in person. I commend all for pressing forward and keeping the spirit of Desk and Derrick alive.

If you know me you know I am not much of a "theme" person. I could rack my brain over coming up with the profound but I believe we will just stick with *Celebrate Life*. It's a no brainer at this point, lol. I want to celebrate your life and especially I want us to celebrate the life of those that we have lost. I want to celebrate how we as an organization and as an industry continue to celebrate life. Moving forward is what we know!

I have been informed by the North Harris Montgomery Counties club that they have voted unanimously to NOT host an in person Region Meeting. The Region Meeting was to be held outside of the Greater Houston area in Katy, Texas. Our dates are currently set for April 21, 2021 to April 24, 2021. We will be working diligently to create a virtual meeting and will keep you upraised of scheduling for this meeting. There was much disappointment in the year 2020 and some of that same disappointment will continue to trickle into 2021. But very soon we will be looking over our shoulder and snubbing our noses to this horrible pandemic.

MEMBERS...Bobbie Trust of Red River Desk and Derrick has volunteered to be Chairman of 2022 Region Direction Nominating Committee. Be sure and answer the phone when she calls!

The deadline for submitting proposed amendments to the ADDC Bylaws is February 19th. Please email me and Judi Adams, Chairman with any questions you may have. This is about you and what you want for this organization!

I am hoping at this point all 2020 members have sent in their 2021 renewal forms. We hear numbers for clubs and are either saddened or amazed. Renewing is not about numbers. Whether we are 1000 or 10 we share in the same purpose. The more to share in that purpose the better. You will make us better than we would be without you!

Thank you for reading my words. I could use all your support. Email me and tell me what I can do to represent you.

Happy Valentine's Day to each of you,

It is so hard to believe that February is here already! I always associate February with Valentine's Day and as they say "love is in the air". May your Valentine's Day be filled with love.

The ADDC Board held the Annual Budget & Planning Meeting on January 16th by a Zoom Meeting. We began the meeting at 9 a.m. and we finished in the early afternoon. I want to thank each of the Board Members for their input and ideas for this year. As well as each of the ADDC Committee Chairman for submitting their Reports. A Highlight of the B&P Meeting will be sent out to members in the very near future. The Board worked diligently on the Budget for 2021 and we will work very hard to ensure that we end the year by being in the "black" for 2021. The goal is to make sure that our budget covers all of our expenses and remains in a positive number for the year. We received a big help toward achieving our goal since Charity Rising, who manages our ADO, reduced their monthly fee by half! Thank you Jolie and your team for helping us, and for everything that you do for us.

Speaking of ADO, have you gone to the website - www.addc.org ? If you haven't, please take a minute and log in, look around and let us know what you think. Please note: you cannot use your old password to log in. You will need to reset your password. When you go to the website, you can review all of your information. Please make sure that it is correct - if not, you can edit your profile. If you have any problems, you can contact ADO by email and they will get back to you as soon as possible.

Membership Renewals - it is important that each club sends in their membership renewals to ADO, as soon as possible. With Covid looming over everyone, some members have unfortunately lost their jobs and may not be renewing, because they may not be in the industry any longer. But remember that you do not have to be in the oil and gas, and allied industries to be a Member of ADDC. The membership is open to anyone that is interested in learning about our wonderful industry, so we need to encourage members to renew.

This year is a challenge for all of us. I know that members from each of the Regions were looking forward to having their Annual Regional Meeting, but due to many of the restrictions that are still in place because of the Covid-19 Virus, this may not be possible. I have been notified that the West Region Meeting has been changed to a Zoom Meeting, to be held on Saturday, April 17, 2021. They will not have an in person meeting due to the restrictions because of the Covid-19 Virus. I never imagined that we would still be in the same position as this time last year!

February – President's Letter (continued)

The Rules Chairman, Judi Adams sent a letter, along with the necessary forms for any Proposed Amendment to the ADDC Bylaws and Standing Rules. If your club is planning on submitting any changes, the forms must be received by the Rules Committee by February 19, 2021. If you have any questions you may contact Judi Adams or me.

Club Presidents – please make sure that your Club Bylaws are in order and have been reviewed. There are several clubs that were due to have their Club Bylaws reviewed in 2020, but have not submitted them as of this date. If a Club is delinquent in submitting their Bylaws to be reviewed, that club will lose eligibility to have a delegate at their Region Meeting and/or Convention. If you are not sure if your club is in compliance, please either contact Judi Adams or refer to the letter and spreadsheet that was sent out to all club presidents recently.

Just a note to let you know that there are still several ADDC Committees that need a Chairman for this year – Public Relations and Marketing. Or considering serving as a Regional Representative for an ADDC Committee. This is a great way to not only become involved, but an opportunity to learn more about the various committees. If you are interested in serving as Regional Representative for a particular committee, please send me an email and we can go over what committees need your help. Or don't hesitate to call me on my cell – your help is needed!!

If you have any questions on anything in this letter, please reach out to me or any member of the ADDC Board. This Association is yours and mine and we are all in this together. Moving forward with every action to accomplish everything that we can by working side by side.

Hugs to each of you,

Evelyn

February 2021

REMINDER:

Club and Region Bylaws: At the 2020 ADDC Board Meeting, held virtually in October 2020, the Board added the following to the Club General Information Section:

II. Bylaws

C. Clubs shall not be eligible to have a voting delegate at any Association meeting (Region or Convention) until the Club Bylaws/Guidelines Review Committee Chairman has confirmed compliance.

If delinquent clubs do not submit their bylaws to the committee **NO LATER THAN MARCH 5, 2021**, the clubs will not be eligible to have a voting delegate at any Association meeting (Region or Convention).

I will be sending a separate letter and Exhibit E spreadsheet with club status to each Region Director for distribution to club presidents. Let's set a goal of 100% compliance before the first Region Meeting on April 8th.

Clubs that are due to be reviewed in **2021** are not considered delinquent unless they do not submit their bylaws by **November 1, 2021**.

However, if your club has passed any amendments (other than those reflecting changes based on ADDC Bylaws only), your club must submit Exhibit A and a copy (Word format is preferred) of the club bylaws, with any changes highlighted, during the year the amendments were passed.

Regards,

Judi Adams, 2021 Chairman

A Legend Has Passed: Jim Bob Moffett

Jim Bob Moffett, an oilfield worker's brash son who built Freeport-McMoRan Inc. into a Fortune 500 company in New Orleans during the 1980s and 1990s and who acted as a powerhouse in local civic and business affairs, died of COVID-19 complications Friday in Austin, Texas, his son said. He was 82 and had been ill for several years.

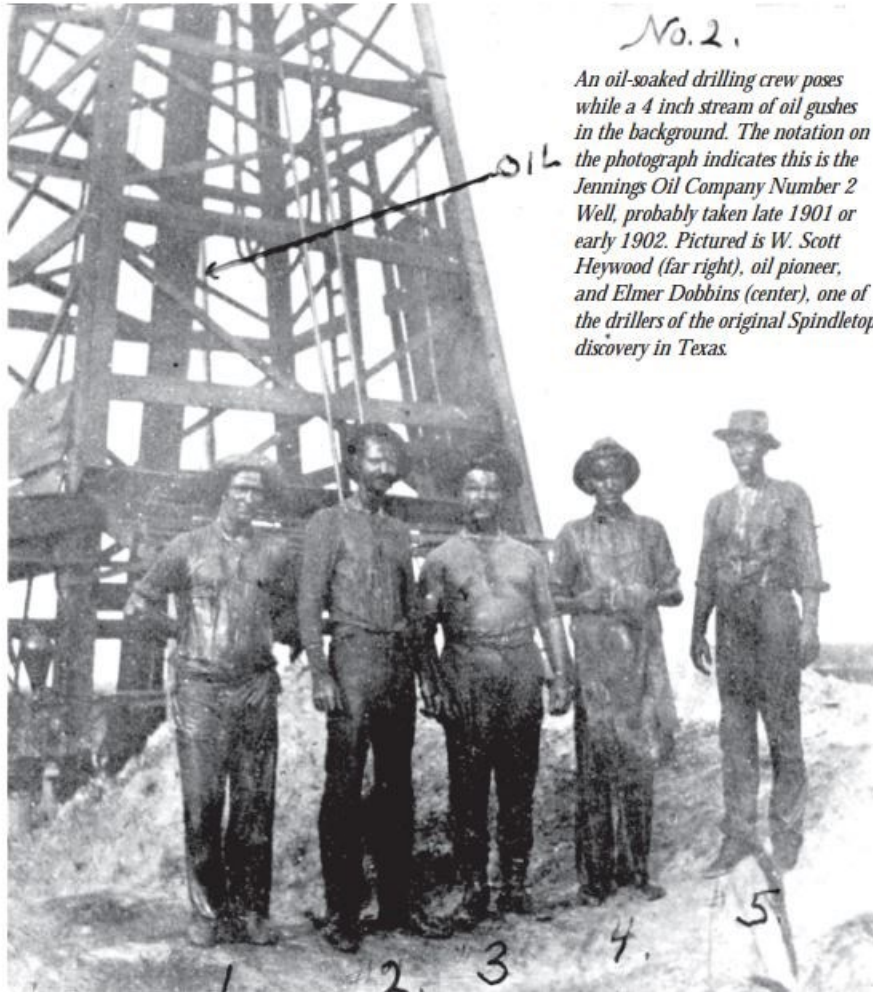

"He was larger than life," said Darryl Berger, a major real estate investor and civic leader in New Orleans. A geologist with a master's degree from Tulane University, able to subsist on little sleep, Moffett used his forceful personality, willingness to take big risks and deep understanding of the oil, gas and minerals business to lead a company that in 1988 found the world's biggest gold mine and one of the biggest copper mines in Indonesia. He was a major philanthropist in New Orleans and Austin, and also a regular target of environmental advocates in Louisiana, Texas and Indonesia. In New Orleans, Moffett, who grew up poor in Texas, shook up the stodgy ways of doing business in a city where company CEOs tended to come from the old-line Carnival krewes and social clubs. He founded the Business Council in the mid-1980s to present, in a more forceful manner, business views on the major social and economic issues of the day to political leaders.

"Jim Bob was absolutely the most respected and well known individual in the last five decades in making a difference in business," said Bill Goldring, a New Orleans liquor magnate and philanthropist whose father, Stephen, assisted Moffett in creating the Business Council. "He was forceful with a can-do attitude and never said something couldn't be done. He pushed the limits on everything he touched. He was in your face when he knew something was right and had to be done. He would keep pushing to make it happen."

Moffett was particularly active in New Orleans when Sidney Barthelemy was mayor from 1986 to 1994. Barthelemy found Moffett to be a more willing partner than most other businessmen, at a time when a sharp drop in oil prices had ravaged New Orleans' economy and City Hall's finances. He agreed to support a bond refinancing that provided \$35 million for the city to pay for roadwork, parks and libraries. "He was really a good, good person and willing to help," Barthelemy said. "He was a tremendous asset to the city."

Moffett had Freeport donate millions of dollars for libraries, parks, summer jobs programs for kids, the New Orleans Opera and the Louisiana Philharmonic Orchestra, among others, said Cindy Molyneux, who headed the company's foundation. Moffett is survived by his wife, Lauree Moffett of Austin; children James "Bubba" Moffett Jr. of Phoenix and New Orleans, Crystal Moffett Lourd of Los Angeles, Jordan Moffett of Austin and Corrine Moffett of Austin; and six grandchildren. "He was my hero," said Bubba Moffett, president of Crescent Crown Distributing, a beer and beverage distributor in south Louisiana and Phoenix.

We all need to remember Jim Bob's motto that ***"it is impossible to have a bad day if you do something for someone else"***.
